Why not donate to Akorn (NTCG Clapton Charity) through Smile Amazon

With so many shops closed, you can get anything and everything you need delivered to your door with a simple click of a button. If you shop at www.smile.amazon.co.uk instead of the traditional www.amazon.co.uk, Akorn (NTCG Clapton Charity) will receive a donation direct from Amazon every time you make a purchase.

Here's what you need to do:

- Log on to smile.amazon.co.uk
- Log in using your regular amazon details (or register for an account if you haven't used amazon before)
- When you're prompted to select a charity, search Akorn
- Select as your chosen charity and shop as you usually do
- Amazon will donate 0.5% of any purchase you make direct to Akorn
- If you need to change your existing charity on your Smile Amazon, go to Your Account and select the option to Change your charity.

Good to know:

- Anyone can sign up to support Akorn, so please share with your friends and family
- It's no extra cost to you or Clapton Church
- Akorn will receive a lump sum donation every quarter, direct from Amazon
- Akorn will only receive your donation, no personal information about you or your purchases is shared
- Your donations will go towards providing Community Opportunities to meet the needs of the Church's local Community.

REMEMBER – There has to be the word Smile before Amazon – www.smile.amazon.co.uk
